Dear Mr. Clerk of the Court

I like to say first of all I sent 3 USM-285's back in April/May. Secondly I received this current order on or around Sept. 6 or 7th. Thirdly it took me until or around Sept. 11th to get the USM-285's. I sent them out on Sept. 11th. I gave them to a C/O around 7:30 pm. So they should have been sent out the following day. Also prior to the law library personnel giving me the USM-285's I had to let him copy the order. On any account I don't know why you didn't get the USM-285's back in April/May. Just in case you haven't gotten the USM-285's I sent out on the 11th of September I don't know what to do. Hopefully you have received them, if not please let me know what steps I can take to insure →
